## Important Fresh Express Bagged Spinach Recall Notice

There has been a precautionary recall of 9-ounce spinach bags packed by Fresh Express and distributed to Pennsylvania, New York, Maryland, Connecticut, Rhode Island, Massachusetts, Maine and Ohio due to possible Salmonella contamination.

The recall involves spinach bags with product codes starting with H081 and H082 and use-by dates of April 6 and 7.

In response to this recall, the Foodbank has reviewed our product inventory and found that this item may have been distributed in the MarketPlace between April 1 -6, 2011.

Please stop using this product and discard immediately.

For more information on this recall, please visit the Foodbank's website: <http://www.akroncantonfoodbank.org/current-recalls.aspx>.
