**Subject: ALCOHOL PREP PADS, ALCOHOL SWABS, ALCOHOL SWABSTICKS, and STERILE LUBRICATING JELLIES
Grainger SKU: List is contained in this Notice**

This is to inform you of a voluntary product recall involving ALL LOTS of ALCOHOL PREP PADS, ALCOHOL SWABS, ALCOHOL SWABSTICKS, and STERILE LUBRICATING JELLIES manufactured by Triad Group but which has been private labeled for many accounts. This recall involves those products marked as STERILE as well as non-sterile products.

This recall has been initiated due to concerns from a customer about potential contamination of the products with an objectionable organism that may or may not be related to Triad's manufacture of these products. We are, out of an abundance of caution, recalling these lots and revalidating our production lines to ensure that we are not the source of these contamination issues.

Please **immediately examine your inventory** and **quarantine product**. Further information pertaining to product disposition will soon be provided.

In addition, if you have sold this product, please identify your customers and notify them at once to immediately discontinue use of this product. Your notification may be enhanced by including a copy of this recall notification letter. Your immediate attention to this matter is required.
