

Through your generous support, the Akron-Canton Regional Foodbank has provided more than 15.6 million meals in our community in the first half of 2026. Our neighbors continue to experience challenges in the affordability of food, fuel, basic utilities — as well as increased expenses for families who have school-aged children who need additional food and childcare throughout the summer months.

15.6 million

meals provided total

1.5 million

meals provided through onsite pantries

Our two onsite pantries continue to have tremendous impact for these families and have provided more than 1.5 million meals, as well as wrap-around services to help neighbors navigate other community resources such as workforce development, legal aid, healthy eating tips and public benefits. Resource room connections at our pantries have **increased 33% year over year.**
